

STAY WARM AT W ST. PETERSBURG TOGETHER WITH W INSIDER

The forecast to September promises you lots of fun, music and beautiful weather. Apparently, it's the last month when you can enjoy our Wine Terrace on the 8th floor before winter season.

If you're looking for interesting attraction - rooftop tour is for you. Now you have the opportunity to see the city from the roofs and feel the atmosphere of St.Petersburg.

W Insider will help you to take the best of September and provide you tips for this autumn.

EXPERIENCES OF THE IMAGINARY

Check out the exhibition Experiences of the Imaginary, which showcases the works of recipients of Garage's grant program for the support of emerging Russian artists. Garage Museum of Contemporary Art will open its first exhibition on New Holland Island in St Petersburg. The exhibition runs from August 27 until September 25 in the park's temporary exhibition space. Explore emerging Russian artists and a glimpse of their inner worlds, as they try to define the place of the artist in the contemporary world, through the prism of personal experience and inner feelings.
