PORT SEAFOOD MAYAKOVSKOGO STR. 21

Taste the seas of Russia. This fine dining fish "every day" place offers seasonal seafood from different parts of Russia: Kamchatka crabs, mussels from White Sea, Sakhalin oysters and a lot more. Sail away with a bottle of white wine (perhaps, try Russian).

INSIDER TIP We love their Tar-Tars and large sets for company: oysters, mussels, shrimp, crab, paella and 1.5 kilo assorted seafood.
