

OPEN 2017 TOGETHER WITH W INSIDER

We hope you had a great celebration of the New Year without any rules! Now it's time to wake up for what's NEW/NEXT in January. In this Insider Guide we'll let you know about new spots and interesting events in the city.

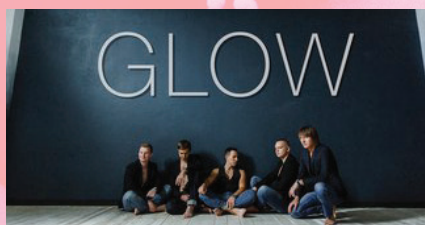

AKHE THEATRE

Gloria Transit is an evening of theatrical improvisations. The action form is close to a cabaret show: discrete scenes, united with a common theme (different for each evening), and bright characters.

Gloria Transit is an up-to-the-minute cabaret. The programme is created right in the show day and is never repeated. Thus, the performance occurs only once. Such concept requires maximum of expressiveness and precision.

Cabaret shows will take place at Erarta museum stage on January, 12-14.

INSIDER TIPS: The acts included to the programme are never the same; hence the key concept of the cabaret is "here and now".

CHRISTMAS GLOW

Get together and celebrate X-mas dinner with Glow Orchestra in Chaplin-Hall's restaurant on

January, 7. You will enjoy Newman hits, Hurts, Adele, Bon Jovi, Seal, Beatles, Sting, Queen, Pharrell Williams, One Republic and other artists in the author's orchestral arrangements.

SPACE. LOVE

Artplay is Design Center located on Krasnogvardeyskaya Sq., 3, with a multifunctional exhibition space, a hobby center and a cluster for designers and architects. You're invited to multimedia exhibition SPACE. LOVE, created by the company ARTPLAY MEDIA in collaboration with the Corporation ROSCOSMOS. Explore the history of human conceptions about the universe from the utopian ideas of migration to Mars to modern technologies of space exploration.

THEORY OF FIELDS

Moscow Center for contemporary art MARS presents new project THEORY OF FIELDS, specializing in hi-tech art. Explore unique digital installations created by artists from different countries.

The title of the exhibition THEORY OF FIELDS refers to the eponymous section of physics, which describes the invisible forces that create fields
