

ENJOY THE MIDDLE OF SPRING TOGETHER WITH W INSIDERS

April's here! Not to get fooled by anyone this month indulge into dynamic exploration of What's New/Next in St. Petersburg together with W Insiders.

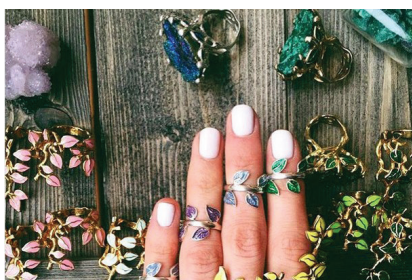

WAVES OF TASTE PETROVSKAYA EMB., 4

Unveil historical part of St. Petersburg on Petrogradsky island and relax after a long walk along the embankment of Neva river by having a brunch / lunch / dinner at Lounge-Restaurant "Volna".

They mix tastes from all continents to create aesthetic and nourishing dishes. Customized wine collection perfectly matches the food thus turning your experience at "Volna" into joyful art.

INSIDER TIP Chef is absolutely in love with preparing fish. Definitely try salmon steak cooked "sous-vide". For desert our choice is chocolate ganache with kiwi and a cup of coffee. Sure it is way more than delicious.

50S HORROR VINRANT BEATS

ERARTA / LINE 29TH

2 VASILYEVSKY ISLAND

Pulsating and exotically Russian band Messer Chups confidently sets perfect standards of broaching / melodic / mildly accented guitar music. Esthetics of sound and performance are of a high importance for them. The band's spirit is a mixture of pin-up / surf-rock / low-budget horror movies / and an impressive stock of self-irony. This is why we love Messer Chups so much and welcome you to their concert with special guests The Millions and DJ Zombierella on the 8th of April.
